Re: Docket No. 98N-1265

Dear Food and Drug Administration,

I am writing to urge you to amend the MOU regarding the above docket number. In its present form, the MOU, as well as the Compounding Section 503A of the Modernization Act, severely restricts the rights of physicians and patients to obtain healthcare products from the provider of their choice, and infringes on the rights of compounding pharmacists to serve the public's medical needs.

I have been using these specially compounded drug products for several years now, and they have provided a successful alternative to standard drugs for me, because I am allergic to the non-compounded drugs.

Thank you for your consideration.

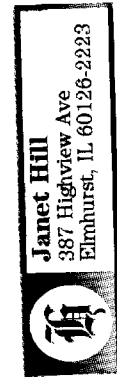

Sincerely,

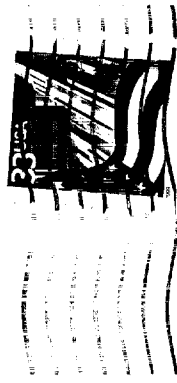

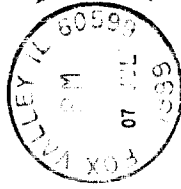

Janet Hill
